Save the Children

Christmas Jumper Day

Who will we help?

On Christmas Jumper Day we'll help families like Joy's!

Joy* and her partner were working long hours while bringing up their son, Jayden*, when they got some big news... "I found out I was having twins," says Joy, from Edinburgh. "I was happy but overwhelmed. I was really worried thinking 'how am I going to care for two kids?'"

Joy was referred for a Save the Children Early Years Grant so she could buy everything – a cot, sheets, sleepsuits, bottles and bits - for the twins.

Making sure mums and babies don't go without is what Christmas Jumper Day's all about!

*The family's names have been changed here to keep them safe.
